DOCKLINES

Vol. 12 Issue 10

DECEMBER 2010

Commodore's View from The Bridge

This is my last opportunity to speak from the helm. First and foremost, I want to sincerely thank each and every one of you for making this such a memorable year. We accomplished a lot! I ask for your continued support of this club and our mission in the New Year. Check the calendar and come on out and enjoy the season. The best thing that you can do is what you can do-

Sail on!

**Brian Paul
Commodore**

From the Vice/Commodore Elect

Hi everyone - First off, I would like to thank everyone for entrusting me as your new Commodore for 2011. With the help of the new Board of Governors and you the membership, I'm sure we can continue to make NJYV one of the best clubs on the river and in the State. Keep looking in your Docklines for all the new and great events that will be going on in the upcoming year. I am looking forward to working with all the past commodores and members,

So all I ask is for YOU the membership to get involved. Remember it's your club, come down to enjoy the great races, raft ups, parties and enjoy the million dollar view from the dock of the clubhouse. See you at the club, starting with the NJYC Christmas party on DEC 11th @ 7pm.

**Dave Bailey
Vice-Commodore**

From Davey Jones' Locker

Hello everyone. Happy Holidays to everyone. It is time again for getting your membership applications in for

2011. Spencer has gone to great lengths to update the application and what a Great job he has done!

Your Board will be concentrating their efforts on the Change of Watch coming in January. Stay tuned to the Docklines for more information as we progress.

Due to lack of participation the Predicted Log had to be postponed yet again. Never fear, we are not giving up and will be rescheduling for the spring.

As we head into the **Christmas Season**, everyone be safe and travel with care. I'm looking forward to seeing each of you at the activities that are planned for the rest of the year and looking forward to a great NEW YEAR!

**Lynn Quick
Treasurer**

From the Secretary

Happy Holidays Nautical Friends.

Hopefully by now most of you have received the NJYC survey. Please take the time to fill it out in its entirety. The hope is that once all surveys are complete and we compile the ideas and data, the new elected officials can have a better idea of the "pulse" of your club and organize events that you want to see. Thanks to those who have already sent it to me. If you haven't yet, please send them via email to spencer.g.wait@navy.mil; by mail to Spencer Wait, 1919 Sprinkle Dr, Jacksonville, FL, 32211; or drop it off at the club. We'd like to have all the surveys completed before the New Year.

Regarding membership, it's that time of year again to renew. You can find the latest and greatest application on the NJYC web-site. Or if you prefer you can pick one up at the club or we can mail one to you. Please take a look at the application carefully and fill it out in its entirety as some of the information has changed from previous years.

Regarding sailing, I would like to thank all of you

who have supported the Fall Intramural Sailing

series, especially Steve Duve, Larry Hinken, Norm Caudle, and Joe Mauffray. During our last race, Joe was especially helpful in teaching us all some great sailing tactics. With that being said we'd really like to expand on this sail training. This guidance and training would greatly increase our chances of success during the FCSA Flying Scot One design regattas hosted by NJYC. It would be great to see NJYC members and the local active duty Sailors participate and be competitive in those regattas. If you have experience in one design racing or racing in general and would like to come out and teach a few lessons please let Steve or I know.

In closing I'd like to touch on communications. I believe it's one of the key elements to a successful yacht club. If you ever have any ideas or concerns regarding club activities, policies, or whatever else, let your ideas and voice be heard. The general meetings are usually the first Wednesday of each month. If it's a matter that needs attention immediately, please contact one of the Board of Governors.

Spence Wait
Secretary

From The Jib

As we wrap up 2010 I would like to take this opportunity to thank the members of Navy Jax for your support and your friendship. The past 2 years as your Rear Commodore of Sailing have been a great experience for me. I hope that Spencer Wait will enjoy serving NJYC and your Sailing Fleet as much as I have, and I know that the membership will be amazed at his enthusiasm and ability to get things done.

This is also a great opportunity to thank the great staff at Mulberry Cove Marina for their support of our programs. They have also worked very hard to provide the best recreational equipment and services to the military community resulting in more people involved in water sports. If we continue to work together with the Marina in the interest of promoting safe water sports and competitive sailing everyone wins!

2011 is shaping up as a great year for the Sailing Program, with plans for at least one Race Officer Course at one of our area yacht clubs, 2 huge Flying Scot Regattas in Mulberry Cove, and a wider variety of sailboats at the Marina. Training opportunities will increase, and with more clubs joining the First Coast Sailing Association there is the possibility of expansions to the PHRF Spring and Fall Racing Series.

As a final thought, I am asking all sailing members of NJYC to get out and encourage local sailboat owners to check out NJYC and the racing programs in the area. There are many sailboat owners here at NAS who would benefit greatly from joining NJYC and by competing in the racing events. So if you see owners at their boats in storage or in a slip, please engage them and talk about the experiences that await them.

I look forward to seeing you all around the club in the years to come. It has been my pleasure to serve this club as a board member, and it will be my pleasure to serve the club as an active member. Have a happy Holiday Season, a Merry Christmas, and a Happy New Year. I'll see you on the water!

Here it is December already, the year is almost over. I cannot believe how fast it's gone by.

I want to start out by thanking everyone who showed up for the Shipwreck Party, we all had a great time. We only had the one boat make it by water - BE BE, with Lee and Cheryl. Me and my crew only made it about three miles and had boat problems and had to turn around and go into Plan B. We unloaded the boat, got out the tent and made the trip by land and had a great time. Thanks go out to our hosts PJ and LOU for a great party.

The month of December we have Christmas decorating on the 4th to get everything set up for the NJYC Christmas Party on the 11th at 7 PM. Hope to see you all there for a good time.

We are not doing the Tropical Freeze for the kids this year because MWR moved it to the golf course. See MWR for more information.

The Hooters run is on the 27th for the guys, and the last event for the year is the NJYC New Year's Eve Party on the 31st to finish out the year. I would

like to see a big turn-out for this, we have fun every year so don't be the one to miss it.

The biggest thing to remember over the Holidays is to be safe on the road and water, it's good to have fun, but **please be safe** doing it because we want to see you all back next year. Have a Good Time

CHIP LOG – Following a rash of extremely unpleasant incidents in the 1960's, the Coast Guard has required boat owners to maintain a daily record of snack

consumption to insure an equitable division among guests and crew of a large category of "munchable provender" whose presence on board ship has been deemed to be a potential source of disputes likely to result in the commission of a felony.

Chicken – Tuna of the land.

Club – 1. Long bar of wood used to render fish senseless. 2. Place with a long bar of wood where fisherman go to render themselves senseless.

Turkey Day at NJYC

No need to get VILENT now!!!

great food, fellowship, and all the blessings of a beautiful day

members, families and friends gathered to celebrate Thanksgiving

...and of course, there was football!

Shipwreck Party held November 13-14 at PJ and Lou Heinricher's home. Everyone in attendance enjoyed great company, plenty of good food to include steamed oysters, beverages and a roaring fire to keep us warm because it got real cold overnight
